

UNITED STATES DISTRICT COURT FOR THE  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

UNITED STATES OF AMERICA,  
Plaintiff,

| No. CR18-134-RAJ

WARIO MOHAMED ABDULLAHI,  
Defendant.

## **FINAL ORDER OF FORFEITURE**

THIS MATTER comes before the Court on the United States' Motion for Entry of a Final Order of Forfeiture ("Motion") for the following property:

- One Glock Model 35 .40 S&W-caliber pistol with serial number UGB495, and any associated ammunition.

The Court, having reviewed the United States' motion, as well as the other pleadings and papers filed in this matter, hereby FINDS entry of a Final Order of Forfeiture is appropriate because:

- On March 19, 2019, the Court entered a Preliminary Order of Forfeiture finding two firearms and associated ammunition, including the above-identified firearm and associated ammunition, forfeitable pursuant to 18 U.S.C. § 924(d)(1) and 28 U.S.C. § 2461(c) and forfeiting the Defendant's interest in them (Dkt. No. 52);

- 1           • Thereafter, the United States published notice of the pending forfeitures as  
2            required by 21 U.S.C. § 853(n)(1) and Federal Rule of Criminal Procedure  
3            32.2(b)(6)(C) (Dkt. No. 56) and provided direct notice to two identified  
4            potential claimants as required by Fed. R. Crim. P. 32.2(b)(6)(A) (Declaration  
5            of AUSA Michelle Jensen in Support of Motion for Entry of a Final Order of  
6            Forfeiture, ¶ 2, Exs. A and B); and,  
7           • One claim was filed to one of the firearms, and the United State has recognized  
8            that claim and will be returning that firearm to the claimant (Dkt. No. 62); and,  
9           • No third-party claim was filed for the remaining firearm and associated  
10           ammunition, identified above, and the time for filing a claim has expired.

11           NOW, THEREFORE, THE COURT ORDERS:

- 12           1. No right, title, or interest in the above-identified firearm and associated  
13           ammunition exists in any party other than the United States;  
14  
15           2. The firearm and associated ammunition are fully and finally condemned  
16           and forfeited, in their entirety, to the United States; and,  
17  
18           3. The Bureau of Alcohol, Tobacco and Firearms, and/or its representatives,  
19           are authorized to dispose of the firearm and associated ammunition as permitted by  
governing law.

20           IT IS SO ORDERED.

21           DATED this 5th day of September, 2019.
